Educational Moment: Pro-Reconciliation/Anti-Racism Task Force

At the Board Meeting of January 12, 2008, it was recommended that there be an "Educational Moment" related to racism at each board meeting. Margie Pride led the Board through an exercise that illustrated the difference in life experiences and perceptions of different racial groups. The debriefing focused on member's reactions to the exercise and the effects of institutional racism, some of which are covert, in contrast to more blatant instances of individual racism. Sometime persons are not aware of the racist implications of their statements or actions. We need to develop the trust across races that will enable us to communicate in an open, honest, and non-judgmental manner.

Penny Ross-Corona presented her report. She indicated that new Administrative Assistant, Susan Moore has been hired and will likely start the end of May. She has a rich background that more than qualifies her for the position. She is married to the new Pastor of Webster Groves Christian Church.

Old Business:

Penny Ross-Corona provided an update regarding the ECHO program. The trend is to care for children in homes, so there is less need for residential programs. There have also been fewer referrals for the Olive Branch program for pregnant and parenting teens. As of June 2008 it is expected that there will be no children on the ECHO campus. A Steering Committee, consisting of representatives from Disciple congregations, continues to meet and shape a new vision for ministry on the ECHO campus. Their next step is to conduct a comprehensive needs assessment to guide program development. There will be an ECHO Fundraiser at Webster Groves Christian Church in April. Some of the funds raised will be used to help children who are moving off the ECHO campus.

In terms of the missionary update, Penny indicated that the missionary we will be supporting with our St. Louis New Missionary Initiative has been named to a four- year term in Haiti beginning September 1, 2008. He is Patrick Bentrott, who is 30 years old and is completing his Master of Divinity degree. He is married to Kimberly Bentrott, who is a physician and has been appointed to serve with Patrick as a means to improve the quality of health care for Haitians. Penny will have a two-week immersion trip opportunity to Haiti in February 2009. Steven Williams moved that the Board authorize Penny to go on the trip. Kay Marshall seconded and the motion passed.

New Business: (See Report, pp 28-30)

The Board approved housing allowances of \$12,000 for Reverend Larry D. Hill and \$12,782 for Dietra Wise.

Melissa Feldhaus presented a summary of the awards made from the Bridgeton Fund: (1) Total funds requested from 10 churches (\$50,517); (2) Amount granted to seven churches (\$22,300); and (3) Funds available for disbursement in the next cycle (\$22,343.32)

Jacque Foster agreed to conduct the opening devotional at the next meeting. Doug Cripe gave the closing prayer.

The meeting was adjourned at 1:30 PM.
