

Orchard Crest Information Meetings

Our Orchard Crest Task Force has made a recommendation to the SEGA Board that, at its April meeting, it vote to sell Orchard Crest Camp. This recommendation is based on many factors including financial realities, utilization trends, and an independent professional consultant's (Kaleidoscope inc.) report.

Since this decision will impact an aspect of our shared ministry which has such a long history and to which many people have strong emotional ties, we want to make sure that everyone has an opportunity to gain a clear understanding of how and why this recommendation has come to be. As indicated in our February 1st letter, we also want to give people an opportunity to share their thoughts as they process this information.

For these reasons, four informational meetings have been scheduled throughout the Area. During these meetings, Task Force members and Board members will present a summary of the relevant information surrounding this recommendation, outline the 2010 Outdoor Ministries plans, and answer the questions of participants.

Please plan to attend one of the meetings, and prepare for it beforehand by reading the Kaleidoscope consultant's report. This is available on the Church Camp page of our website, www.segadisciples.org.
